

## Gallagher Live Tip Offset

Wood Post Live Tip Offset 260mm / diam. 5,8mm – Part. 006190

Wood Post Live Tip Offset 160mm / dim. 5,8mm – Part. 006183

### Benefits:

- Strong UV treated plastic gives long life and strength especially when used on rolling ground.
- High grade galvanised spring steel for strength and rust resistance.
- Electrified tip - when wire comes in contact with end ring - discourages stock from rubbing.
- Quality insulator ensures no power leakage to post.
- Sharpened end to drive into post.
- 10 year warranty.
